Mission Statement

Mission Statement “Nurturing for Life”

Scoil Mhuire seeks to develop the full potential of each individual girl in a caring atmosphere of mutual respect and cooperation. Our aspiration is to maintain a balance between academic achievement and the development of moral integrity through the nurturing of the enquiring mind and spirituality of each girl.

Scoil Mhuire was founded in 1951 by the late Miss Kathleen M. Cahill, M.A., Miss O Donovan, M.A. and Miss Joan O Donovan, M.A. (who later joined the Dominican Order). The school opened at 2 Sidney Place with seventy pupils aged from nine to seventeen years. In 1954, when Scoil Ite closed, most of its pupils and some staff transferred to Scoil Mhuire, which then became an all age school from Kindergarten upwards. Over the years, the buildings occupied by the school have been extended by purchasing adjoining property and by building some new rooms. All buildings have been extensively refurbished in recent years. Pupil numbers now exceed 400. Scoil Mhuire has provided a full curriculum of subjects from the outset and has always promoted high academic standards. Care for individual pupils is a strong part of our ethos, and all pupils are helped to reach their full potential. Scoil Mhuire retains its Catholic ethos and gives priority to the spiritual and personal development of each pupil. This tradition of personal care and individual attention has enabled Scoil Mhuire to carve out a unique niche in the education of young women in Cork where we:-

- provide students with opportunities to live their faith through liturgy, prayer and reflection;
 - inculcate good standards of behaviour and respect for one another;
 - promote academic excellence to the full potential of the individual student;
 - foster the growth of self-worth and confidence through the development of the whole person;
 - provide access to the resources of civilization;
 - equip students with life-skills and develop their leadership qualities;
 - provide an opportunity for the physical development of each student;
- The school hopes to achieve the above through a curriculum which provides well-structured learning experiences, both academic and non-academic which enables our students to embrace life to the full and to become active global citizens contributing to the greater good of humanity.

9. Notifying applicants of decisions

Applicants will be informed in writing as to the decision of the school, within the timeline outlined in the annual admissions notice.

If a student is not offered a place in our school, the reasons why they were not offered a place will be communicated in writing to the applicant, including details of the student's place on the waiting list for the school year concerned.

Applicants will be informed of the right to seek a review/right of appeal of the school's decision (see section 18 below for further details). A letter seeking this review, must be written to the Manager, to be received within 4 weeks of the date of the letter issued by the school informing them of the decision of the school that their application was unsuccessful.

An offer of admission may not be made or may be withdrawn by Scoil Mhuire Cork where:

1. it is established that information contained in the application is false or misleading

An application for admission may be refused, therefore, where the admission of the applicant would pose a significant risk to the health and safety of the applicant or students and staff of the school, or risk significantly interfering with the right of other students to an appropriate education.

12. Sharing of Data with other schools

Applicants should be aware that section 66(6) of the Education (Admission to Schools) Act 2018 allows for the sharing of data between schools in order to facilitate the efficient admission of students. In the event of there being more applications to the school year concerned than places available, a waiting list of students whose applications for admission to Scoil Mhuire Cork were unsuccessful, due to the school being oversubscribed, will be compiled. This will remain valid for the school year in which admission is being sought.

Placement on the waiting list of Scoil Mhuire Cork is in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy.

Offers of any subsequent places that become available for and during the school year in relation to which admission is being sought will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list. **However, the Quota of each feeder school must be satisfied in the first instance.** (See section 5 above).

14. Late Applications

All applications for admission received after the closing date as outlined in the annual admission notice will be considered and decided upon in accordance with our school's admissions policy, the Education Admissions to School Act 2018 and any regulations made under that Act.

Late applicants will be notified of the decision in respect of their application not later than three weeks after the date on which the school received the application. Late applicants will be offered a place if there is a place available. In the event that there is no place available, the name of the applicant will be added to the bottom of the waiting list.

15. Procedures for admission of students to other years and during the school year

The procedures of the school in relation to the admission of students who are not already admitted to the school to classes or years other than the school's intake group are as follows:

Pupils may transfer into Scoil Mhuire Cork at any stage providing there is a vacancy in the relevant year, class and subject groups. Entrance to 3rd and 6th year are generally not considered to be in the best interests of the applicant. Transfer applications are subject to:

1. The provisions of the Admissions Policy.
2. The school being satisfied with the reasons for the transfer.
3. The school regarding the move as being in the best interests of the applicant.
4. The availability of space in the relevant year, class and subject groups.
5. Consultation with the Educational Welfare Officer.

Under the terms of the Education Act 1998 and the Department of Education and Science Circular M48/01, Scoil Mhuire Cork reserves the right to refuse an application for admission in exceptional circumstances. These may include a student transferring from another post primary school for reasons of gross misbehaviour which in the opinion of the Manager, means that the student poses a health and safety risk to themselves, to other students, to school staff and/or to school property.

There are four stages to the application process:

Stage one: The applicant will be required to complete a school transfer form, where information regarding the students age, year group, desired subjects etc. will be required. The parent(s) and student will be invited to attend a meeting with the Principal and Deputy Principal. Where space, as defined above, is not available the applicant will not proceed to stage two.

Where the school is oversubscribed and where an unsuccessful applicant wishes to be put on a waiting list, she will be advised of her position on this list.

Stage two: Where an applicant successfully moves to stage two, she will be provided with an application form.

Stage three: Where all details are satisfactorily filled out in the application form and all appropriate documentation has been received by the school, the applicant will be required to sign an agreement to respect the school's Catholic Ethos, to observe the school's code of behaviour and all other school policies.

Stage four: The application form and documentation received will be considered. Applicants will be advised of the outcome of their application within 6 weeks of receipt of all of the required, completed documentation. Unsuccessful applicants will be advised of the reason for their refusal.

The procedures of the school in relation to the admission of students who are not already admitted to the school, after the commencement of the school year in which admission is sought, are as above.

16. Declaration in relation to the non-charging of fees The Manager of Scoil Mhuire Cork or any persons acting on its behalf shall not, except in accordance with section 64 of the Education (Admission to Schools) Act 2018, charge fees for or seek payment or contributions (howsoever described) as a condition of:- (a) an application for admission of a student to the school, or
(b) the admission or continued enrolment of a student in the school, other than in relation to a fee charging school.

17. Arrangements regarding students not attending religious instruction

In Scoil Mhuire Cork 'Religious Education' is taken by all students as a non examinable core subject. It provides a broad education in world religions. The content of the Religious Education program is drawn from the NCCA curriculum framework for non-exam Religious Education.

In the event of a student not taking Religious Education, the school will not be in a position to offer an alternative subject. The student will engage in readings in Philosophy using texts supplied and owned by the school, while remaining under the supervision of the classroom teacher. There will not be a reduction in the school day of any such students.

A parent of a student, or a student who has reached the age of 18, who wishes to attend Scoil Mhuire Cork without attending religious education classes should make a written request to the Principal. A meeting will then be arranged with the parent or the student, as the case may be, to discuss how the request may be accommodated by the school. However, the student will remain under the supervision of the classroom teacher. There will not be a reduction in the school day of any such students
